

# THE STRAWBURY DUCK ENTWISTLE RESERVOIR CIRCULAR WALK

4.5km / 2.8 miles - Easy

An easy walk along clear footpaths around Entwistle Reservoir and woodland

- 1.** From The Strawbury Duck car park, take the track Overshores Rd that goes around the front of the pub. Follow it for 500m until you reach the tarmac road at the reservoir.
- 2.** Turn left and follow the road over the reservoir dam.
- 3.** At the end of the dam, take the gate onto the path that stays along the water side. Follow this path for 1500m to the top of the reservoir.
- 4.** Stay on the path for a further 200m following the brook that fills the reservoir (do not cross the first bridge).
- 5.** Cross the stream at the narrow footbridge and go through the gate into the pine forest. Follow this path for 750m.
- 6.** As you exit the pine forest turn downhill and follow the track and rejoin the reservoir path. Follow the reservoir path with the water on your right for 800m.
- 7.** As the path turns in a direction where you can see the dam bridge almost straight ahead you'll find a path on your left, leaving the reservoir and heading uphill for 250m.
- 8.** As you come down the steps, turn right onto the tarmac of Edge Lane. Follow this for 300m back to The Strawbury Duck car park.
- 9.** Come inside, have a drink and bite to eat. You've earned it.
